Dear Peggy,

It is my pleasure to present Sunline Commercial Carriers with a Platinum Award from Great West Casualty Company as part of the 2010 National Safety Awards Program. My records indicate this is the third consecutive year Sunline Commercial Carriers has achieved this prestigious award.

The National Safety Awards program recognizes carriers with awards based on their year-end preventable accident results. Participating carriers are eligible to receive Platinum, Gold, Silver or participatory awards.

Thank you for your contributions to highway safety and congratulations on your Platinum Award!

Very Truly Yours,
